WORK EXPERIENCE

Hotel Marina del Faro - System Assistant

JUN 2019 - JAN 2020

- Constant maintenance of hotel systems
- Helping to improve the local applications used to get the passengers control and the booking administration

Hostel del Centro

OCT 2018 - MAY 2019

- Receptionist
- Working with a team to keep order and a good environment in job
- Constant problem solving of different kinds

Personal Projects Experiencie

JAN 2020 - TODAY

- I worked on hundreds of personal and group projects such as Ecommerce, Api applications, python desk programs, twitter clone, etc.
- Working with a team was one of the experiences from which I learned the most, dividing tasks, putting everything together and helping each other.
- I also try to code at least 5 or 6 hours a day to keep de practice.
